

## New Online Summer Course!

Race & the Digital

21:050:489:H5

Summer Session II

Instructor: Asha Best

[asbest@scarletmail.rutgers.edu](mailto:asbest@scarletmail.rutgers.edu)

This course is about how race is performed, articulated and surveilled through the digital. We'll answer questions like: how do racialized groups use the digital to construct or respond to their social worlds? We will also look at how race is distributed and produced in the age of "selfies," social media and body cams.

**Note:** This is a writing-intensive course. For more info, email the course instructor.
