

**LIST OF ACCEPTABLE HUMANITIES/SOCIAL SCIENCE ELECTIVES FOR ENGINEERING STUDENTS INTENDING TO TRANSFER TO THE SCHOOL OF ENGINEERING IN NEW BRUNSWICK**

**EFFECTIVE FALL TERM 2013 (REVISED MAY 2013)**

**NOTE: THIS LIST IS BASED ON THE NEWARK UNDERGRADUATE CATALOG, 2011-2013, AND SUPERCEDES ALL PREVIOUS LISTS. ANY NEW COURSES ADDED AFTER PUBLICATION OF THE 2011-2013 CATALOG ARE SUBJECT TO REVIEW. QUESTIONS AND APPEALS REGARDING COURSE ACCEPTABILITY SHOULD BE DIRECTED TO THE DEAN OF PRE-PROFESSIONAL PROGRAMS.**

**Rationale for H/SS Electives in the Curriculum:** A good undergraduate education should provide more than the development of technical skills. Properly chosen, H/SS electives can complement your technical courses by helping you to develop an understanding of the problems facing our society, a historical consciousness, a sense of values, knowledge of other cultures, an appreciation of the fine arts, and an ability to think logically and communicate effectively. Think seriously about your choices, and use them to enhance your educational experience. Engineering students may also complete a **minor** or **second major** in these disciplines; see <http://soe.rutgers.edu/oa/declaration.php> for more details.

**School of Engineering Requirements:** All candidates for the B.S. degree must complete a minimum of 18 credits of humanities/social science (H/SS) courses including the following:

- 01:355:101 (Expository Writing) (21:355:101 or 103 is acceptable);
- 01:220:102 (Micro Economics) (21:220:101 or 28:220:201 is acceptable) (Note: Credit not granted for both 28:220:201 and 21:220:101)
- Four free electives chosen from courses listed below. Free electives must be selected in a manner such that:
  - At least **two courses are at the 300/400 (upper) level** (even with a minor/major, 2 upper level courses from this list must be chosen)
  - One upper level elective must be in the same subject as one of the other 5 H/SS electives
  - At least two different subjects are represented. All courses may be from the same subject **ONLY IF** a minor or 2<sup>nd</sup> major is earned in that subject. Two upper level courses from this list must still be taken.

Elementary language courses are normally NOT accepted for H/SS credit. However, four semesters of a language (2 elementary and 2 intermediate) that were not taken in high school and is not the student's native language will count as 1 general, 2 H/SS lower, and 1 H/SS upper elective. The second upper level H/SS elective must come from another subject unless a minor is earned.
