- Recent developments regarding the 3% budget cuts facing FASN;
- As college tuitions escalate Universities continue to raise tuition as a means of making up the difference due to budget cuts, which causes enormous costs to students attending college;
- Focusing on the central missions that are most important to the University and deal with budget constrains in a strategic manner;
- Allocations of FASN funds to RBS has been reversed;
- Enrollment and Budget in All Funds: The Faculty Committee on Admissions and Financial Aid will look into how we can explore opportunities in dealing with enrollment management;
- Recent appointment of Sarah Frodely as Assistant Dean who will be responsible for Human Resources (staff), Maintenance and Facilities, and Space Plan;
- Restructuring of the undergraduate curriculum is now at the Chairs and departmental level for comments. All comments should be submitted to the Chairs for discussion at the Council of Chairs Meeting. The Committee of Governance will establish an Ad Hoc Committee to formulate the results; and
- Revisions to class schedules have been postponed.

Dean Yeagle responded to questions on the above subject matters. After some discussion, the Dean concluded his report.
