The aim of the conference is to foster discussion of how (and whether) recent research in neuroscience, developmental biology and developmental psychology, and the disciplines of cognitive science have reshaped the philosophical question of the origin of knowledge.

Conference Organizers:
Raffaella DeRosa and Benjamin Hill

Sponsors:
Philosophy Department, Rutgers University - Newark;
Office of the Chancellor, Rutgers University - Newark;
Faculty of Arts and Sciences Office of the Dean, Rutgers University - Newark;
and Office of the Vice-President for Research and Economic Development, Rutgers The State University of New Jersey
