Summer 2017 Research Internship

8 weeks in a laboratory doing research

Atomic & Molecular Optics  Optical Solitons
Data Mining  Laser Spectroscopy  Biophotonics
Laser Gyroscope  Biomedical Imaging

- Application Deadline: Feb. 28, 2017
- Dates: June 5, 2017 – July 28, 2017
- 2nd-4th year college students; 3.0 GPA or higher
- $3,500 Stipend plus Room & Board
- Majors: engineering, chemistry, biophotonics, mathematics, physics, or computer science
- U.S. or permanent resident only
- One recommendation letter (Faculty member)
- Unofficial copy of college/university transcript
- An updated resume

- Funded by NASA (National Aeronautics and Space Administration) and NSF (National Science Foundation)
- Address: 1200 N. DuPont Hwy/Dover, DE 19901
- Contact: Jacquelyn Jones **Coordinator & Analyst of Student Activities** **(302) 857-6650** **jjones@desu.edu**
- State-of-the-art-research laboratories
- Application: [http://oscar.desu.edu](http://oscar.desu.edu)
